Lesson 17:

Jesus and Nicodemus

Today's Story.

Today our Bible story takes us into the night in the city of Jerusalem. There was a man named Nicodemus, a Pharisee, who admired Jesus and was curious about the things that Jesus was teaching. Nicodemus wanted to know more about the Kingdom of God. Jesus told Nicodemus that to see the Kingdom of God he must be born again, born from above.

Nicodemus was confused and asked, "How could a grown man be born again? Surely he did not have to become a baby again?" Jesus told Nicodemus that one must be born from God's Holy Spirit, from above. The Bible tells us that when we believe in Jesus and are baptized, we have God's Holy Spirit living in us and we have new life in Christ. Now that's GOOD NEWS!

Bible Memory Verse:

"No one can see the kingdom of God unless he is born again." John 3:3 (NIV)
