Lesson 21

The Lord's Supper

Today's Story:

Today we are going to learn about a very special way that we “remember” Jesus so that we can grow to be like him, filled with his love and kindness.

Remember the Passover and Exodus story of long ago? The Israelites had to put the blood of a lamb over their doorposts and they would not die. And long ago, when people sinned, they had to sacrifice an animal and pray for the forgiveness of their sins.

Jesus came from God to be the Passover Lamb, to die for all people’s sins once and for all. We no longer need a blood sacrifice for the forgiveness of our sins. Jesus did that for us. He was the perfect sacrifice.

At a special Passover dinner Jesus blessed the bread and the wine. He told his disciples that the bread would be his body and the wine would be his blood, given for the forgiveness of sins. Then each disciple had a piece of bread and a sip of wine. Jesus told them this was a very special way to remember him always, all through the ages. Now, when we eat the bread and wine, Jesus is with us in a special way. We receive his life into us so that we can grow to be more like him.

Bible Memory Verse:

This is my body...This is my blood....Do this in remembrance of me. (Luke 22:19-22--ESV paraphrased)
