*Kingdom Life Lesson 10:*

*Made to Love God*

## Today's Story:

Today we talked about how we are **made to love God**.

In our lesson today, a treasure hunt led us to both a fake treasure and a real treasure. We soon discovered that the fake treasure was a trick and was a big disappointment.

We then discussed how people will often tell us that life is easier and better without God. They tell us that we can do whatever we want, and life will be great. But that is a false promise – it is like the **fake treasure**.

What we want most of all in life is to be loved. That is because God made us that way. He made us to love each other, but most of all he made us to receive **his** love and to love him back. God's love is the only thing that will fully satisfy us, because nobody else can love us as much as God does.

God is the only one who knows us completely, and he is the only one who loves us perfectly. God **is** love. He is the **source** of love, and his love is the **real treasure**.

God loves us so much that he sent his son Jesus to die for our sins so we can receive and enjoy his love. We will never find that perfect love by being rulers of our own lives. Only if we have faith in Jesus and follow him can we enjoy God's perfect love.

**Bible Memory Verse:** *"We love because he first loved us."*
