

OPTION 1 (Full lesson) PROPS

KINGDOM LIFE: LESSON 10 – MADE TO LOVE GOD

The following props are for use only with the full Storyboard Lesson (Option 1).

For the Condensed Lesson (Option 2) - see the Condensed Lesson Plan & Poster.

Materials needed:

Essential:	Optional:
Printer (or take to print shop)	
Letter size card stock for printing (5 sheets)	
Scissors	
Two identical boxes that look like treasure boxes (e.g. shoe boxes covered with wrapping paper)	
Roll of string or yarn	
Chocolate coins covered in gold wrappers (at least twice as many as the number of children in your class)	
Sticky tac	

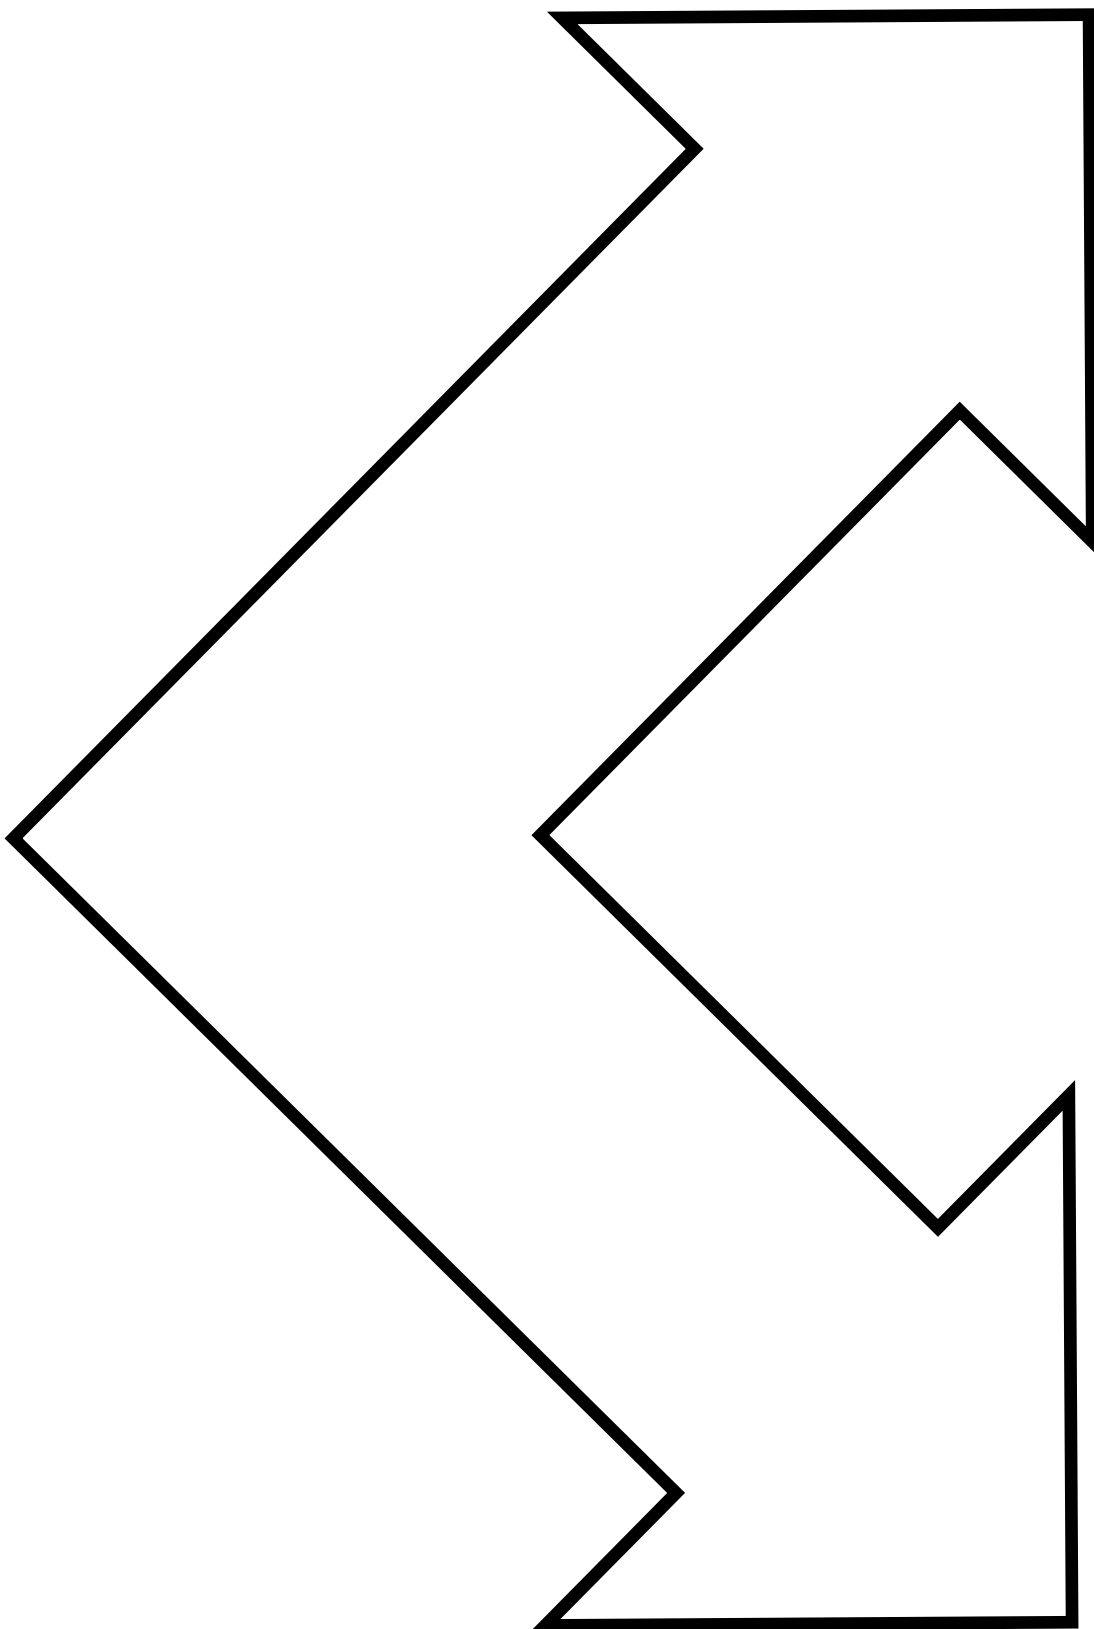

Instructions for treasure hunt props:

1. Print out pages 2-6 of this document in **black and white** on letter size card stock.
2. Cut out the word cards on page 2. Keep pages 3 - 6 as whole posters. (Write the lesson number on the back of the cards and posters.)
3. Create two identical treasure boxes. One box is filled with chocolate coins (enough for each child). The other box is filled with empty chocolate coin wrappers – ideally put back together so at first glance they look intact.
4. Set up a treasure hunt track around the room, using the string. Place the “treasure hunt start” sign at the start of the track. Start the track with single path, then fork into two paths using the double arrow sign. At the end of each arrow, place the two signs leading to the treasure and the shortcut. Make the path to the real treasure significantly longer and more difficult than the shortcut. Place the real treasure box at the end of the longer path, and the fake treasure box at the end of the shortcut. Both treasure boxes must be visible from where the track forks.
