Kingdom Life Lesson 11:

Being Changed into God's Image

Today's Story:

God made us in his image when he created us, and he is **still changing us into his image** day by day.

Our Bible verse today talks about **God's glory**. That means all the things that are so very great about God. Some parts of God's glory are his alone: things like **his eternal beauty, his greatness, and his power**. But there are some parts of God's glory that we get to share in: things like **God's holiness, his goodness, and his love and life**.

The more time we spend getting to know and loving Jesus, the more we become **like** him, and the more we can reflect his glory. We do this by turning our love and attention to Jesus, just like we turn a mirror towards the light so it can reflect the light. We do this when we:

Worship Jesus – we tell Jesus (in words and actions) that we love and respect him for his greatness

Read the Bible – we listen as Jesus speaks to us through the Bible

Pray – we talk to Jesus about everything

Take Holy Communion – we meet with Jesus when we receive Holy Communion at church

Follow Jesus – we trust and obey him as our Lord and King

God wants us to become more like Jesus because that is what he created us to be. When we become like Jesus we become most truly and beautifully human, as humans were meant to be. When we become like Jesus, we can also reflect the beauty of his glory and shine his light into the world. When other people see God's glory in us, they will want to follow Jesus too.

Bible Memory Verse: *"All of us can see the Lord's glory and think deeply about it. So we are being changed to become more like him so that we have more and more glory. And this glory comes from the Lord, who is the Holy Spirit."* 2 Cor. 3:18
