Kingdom Life Lesson 19:

Jesus Calms the Storm

Today's Story:

Today we talked about **faith**. To have faith is to **trust and obey Jesus**. Our story is about trusting in Jesus when bad things or scary things happen.

In this story the disciples were crossing the Sea of Galilee in a boat. Jesus was with them, but he was asleep.

A big storm came in and the disciples were very scared. They thought they were going to drown. Jesus had told them that they were going to the other side of the lake, but now the disciples didn't think they would make it.

The disciples woke Jesus up and said: "Teacher! Don't you care if we drown?" Then Jesus got up and did something amazing. Jesus spoke to the wind and commanded it to stop! The wind and the waves obeyed and stopped. It was completely calm.

The disciples had seen Jesus healing many people and performing many miracles, but they still did not fully understand that Jesus was God. They said to each other: "Who **is** this man? Even the winds and the waves obey him!"

Jesus wants us to know that he is **God**, and he is **Almighty**. He is all powerful, all knowing and everywhere present. Even though bad things happen, we do not have to be afraid. Instead, we can call on Jesus, just like the disciples did. Because Jesus is Almighty, he is in control.

Even in storms and hard times, we can have **peace** in our heart because we know that Jesus is with us. **Jesus is in control**, and he can bring something good out of any situation.

Bible Memory Verse: *"Peace I leave with you; my peace I give you....Do not let your hearts be troubled and do not be afraid."* John 14:27 NIV
