Kingdom Life Lesson 24:

Serving God

Today's Story:

We have been learning how Jesus is the Servant King. He set an example for us to follow when he served the disciples by washing their feet. Jesus came to serve and give his life as the price for setting us free from sin. His Kingdom is the upside-down Kingdom, where those who want to be great must **serve** others.

We also learned that Jesus used the small gift of food from a young boy to feed more than 5000 people. Jesus can also use **our** gifts and service to bring his life to the world.

Today we talked more about different ways that we can **love** God and others **by serving** them.

We can serve both **in church** and in **other places** by being kind and helpful, doing chores, praying for others and telling them about Jesus, being a friend to those who are lonely, using our talents to bless others, and giving money or time to those who have need.

When we serve God, we store up treasures for ourselves in heaven. God will reward us in heaven for the ways we served him here on earth. And those heavenly rewards will last forever. Sometimes we might serve, and people don't notice. But God sees **everything** we do, and he will reward us in heaven.

God calls us to love him with all our heart and to serve him with all our heart. When we love and serve God, then we **bring his life and love to the world.**

Bible Memory Verse: *"Serve the Lord with all your heart."*
Romans 12:11b ICB
