Kingdom Life Lesson 26:

A Light to Our Path

Today's Story:

Last week we talked about sharing the good news of Jesus with others and how God always cared about all the nations of the world.

Today we heard about how we can really change the world to be a better place. The thing that makes the biggest difference is the Bible.

When we read the Bible and love and obey Jesus, our hearts are changed by the Holy Spirit to be more like Jesus. That enables us to take action to truly change the world in God's way.

Because the Bible is a book, we need to be able to read it to know God's ways. Therefore, the Bible inspires us to change the world through providing **education** for all. The idea of **equality** for all comes from the Bible because we learn there that all people are made in God's image and should be treated equally with kindness and respect. The idea of **justice** for all comes from the Bible, and good laws are based on God's laws, the 10 Commandments. The Bible inspired the development of **healthcare**, good doctors, medicines, and hospitals. In fact, hospitals were built all over the world by people who were following Jesus and obeying the Bible's commands to show compassion and care for those in need.

The Bible is a light to our path. It shows us the best way to live, and it shows us the way to Jesus, who is the Light of the World. The Bible is a wonderful gift from God!

Bible Memory Verse: *"Your word is a lamp to my feet and a light to my path." Psalm 119:105* ESV
